1. Project: Convert bath tub to walk-in shower
 - a. Rob and Janet Squires, 4301 Bigelow Blvd
 - b. Date of Service: April, 2020
 - c. Comments
 - i. Company recommended a designer, Sophie Van Gorder who was good
 - ii. Work begun Jan 2020, completed in about 6 weeks.
 - iii. Very organized, gave us written proposal and explained all options and details. Work done as promised and results as we hoped.
 - iv. Details we liked: kept to schedule, organized subcontractors well, main carpenter Jeremy was wonderful. This company also had remodeled bathroom for our son in Fox Chapel. Cost a little higher than we hoped, but we felt like final product a good value.
