Comments

1. Project: Wet basement, sewer problem
 - a. Rob and Janet Squires 4301 Bigelow
 - b. Date of service: December 2018
 - c. Comments
 - i. Very competent and experienced firm for the multiple problems of aging sewer pipes and wet basements.
 - ii. Can cost a lot, but work is well done.
 - iii. This company used by multiple homeowners and all that we know have been pleased with quality and timeliness of work.
